RE: Equipment Fielding (#90087)

Dear Ms. Freeman:

MNS is a synergistic company, specializing in the provision of diverse equipment, support and innovative solutions to the U.S. Federal Government and other agencies in an international market. Pursuant to our previous conversation and in reference to a vacancy currently available in Fort Carson, CO; I have attached my résumé for your consideration.

As a Certified Instructor, competent leader and effective team builder with a lengthy history in supporting the Department of Defense; I possess a diverse background in the planning, scheduling, and management of training programs for the operation and fielding of tactical equipment. Recent accomplishments include the strategic implementation of training programs in support of the M2A3 Bradley Fighting Vehicle and its' operational capacity at Fort Stewart, GA.

In review of my credentials, note that my success is built upon a foundation of integrity, and the development of lasting relationships with Executive Management, clients and departmental resources. You will find that my skills mirror the qualifications outlined for the New Equipment Fielding Manager position, and will support the continued success of MNS in serving clients both during peacetime and in hostile environments on a global front.

Please expect a call in the coming week to discuss your current requirements, and how I may contribute to the mission of MNS, Incorporated. Thank you, in advance for taking the time to review my résumé. For further information, I may be reached at (998) 654-4646.

Sincerely,

Rolland J. Miller
